

Honolulu Association of Insurance Professionals (HAIP)

On behalf of the

National Association of Insurance Women (NAIW)

Insurance Provider # 207732

FOUR (4) Life/Accident & Health or Sickness - CE Credits (Subject)

DESCRIPTION: Course ID #- LC209240	<p align="center">LIFE & HEALTH INSURANCE BASICS</p> <p>This course provides a fundamental understanding of life & health insurance coverage, including the definitions of insurable interest, risk, adverse selection, moral hazard & survivor protection. Also covered are the types of ins companies, the law of agency, the underwriting process, elements of a valid ins contract, an explanation of mortality & expense charges, with a brief section on tax aspects of life insurance. Types of life ins; term vs. permanent are presented in detail. The role of medical ins is addressed; traditional fee-for-service plans compared to managed care, including various mechanisms for controlling health care expenditures. Both group & individual policies are reviewed. Other types of health ins are reviewed: disability income, long term care & workers' compensation.</p> <p align="center">This is a Four (4) CE credit class & there is NO exam.</p>
